Commentary

Pollard Script:

- Consonants are written with large letters, vowels with small diacritics.
- The position of the diacritic around the letter gives the tone: directly above = ˉ, top right = ˊ, right = ˘, bottom left = ˋ.
- Nasalization is marked with the letter C (*n*) before the consonant.
- The components of compounds are written separately.

Miao Grammar:

- Word order is generally SVO, modifiers after modified
- Zero copula
- Tense not explicitly marked—past tense generally assumed
- *tai* and *tu* both used to mark noun phrases
